Dear Chairman Powell:

Dear Sirs or Madam,

I'm a small business man in Macon County. It's bad that people in rural America can't enjoy Local TV on their TV's without putting up an Antenna.

With the pending merger of Dish Network and Direct TV rural American will hopefully not be looked over anymore.

I've sent a E-Mail before but this time I decided to write one myself. I lived in KC for over 20 yrs. I enjoyed having local TV in the City. Now that I'm in the Rural Area local TV is hard to pull in off an Antenna. We need this Merger to Help the people of Rural America.

Thank's for lending an ear to a voice out in the country where the air is easier to breath.

Your registered voter in Macon County.

Sincerely,

Donald Gladbach
